***Allowable Subject Matter***

1. Claims 1-44 are allowed.

The following is an examiner's statement of reasons for allowance:

The allowability of the independent claims 1 and 23 resides, at least in part, in that closest prior art of record Khazaka (U. S. Patent 6,529,724) does not disclose or suggest, alone or in combination, assigning a contact frequency to the t=relationship, the contact frequency being chosen to optimally cultivate the relationship and contacting the user at the contact frequency with a first message regarding the relationship, the first message being in the form of the remainder providing the user with information unique to the relationship, in combination with the other elements and features of the claimed invention..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
